Name of the capability enhancement program – Medical Camp

Date of Implementation – 2016

Number of students enrolled – 190

Name of the agencies – Arya College of Pharmacy

Free medical camps are set up with a sacred aim to bring awareness amongst the deprived population of the country who have no access to basic healthcare services or knowledge about the diseases they are suffering from. So, medical camps provide free medical advice, medicine to the unfortunate people and refer for specialized treatment or surgery whenever it is required. These camps make sure people are getting the healthcare at the right time, and seeing the doctor early enough before a small health problem turns serious.

Name of the capability enhancement program – Self-defence Training for Women

Date of Implementation – 10-10-2017

Number of students enrolled – 105

Name of the agencies – In association with Raj Police

Self-defence is the training and techniques necessary to defend you when targeted by crime or violence. There will always be thieves who want to take what isn't theirs, and predators who want to hurt or humiliate others. When you train in self-defence, you gain the tools to stay safe from danger.

Name of the capability enhancement program – Skills Enhancement Program using ICT Techniques

Date of Implementation – 01-10-2010

Number of students enrolled – 215

Name of the agencies – ACERC SDC CELL

ICT skills are about understanding and applying a range of computer programs, software and other applications. These include: word processing, spreadsheets, databases, power points and search engines. These skills are an essential requirement for the majority of job roles. Having these skills will help you to organize your workload, streamline processes and access digital information. When applying for jobs, improving your ICT skills is a sensible way to give yourself a competitive advantage over other candidates.
